Colouring Book

THE ANGEL & FAIRY Colouring Book

More and more adults and older children are turning to colouring; a hobby that is nostalgic, creative and therapeutic all at the same time. These Search Press colouring books provide beautiful images to colour that are a step beyond children's favourites. The paper is perfect for colouring using marker pens, coloured pencils, crayons or paints. There are smaller motifs for colouring in a waiting room or during a short journey, as well as more absorbing projects for when you have more time. At the front of the book are some ready-coloured images to inspire you. If you want to colour a favourite image again, they can all be found as PDFs on our website: www.searchpress.com. Those who prefer to work onscreen can scan the images from the book and use their favourite software to colour them. Whether you colour for relaxation or like to cut out the pictures to use for creative projects, these is something for you in these beautiful themed collections.

In this title, Rebecca Balchin has produced a treasury of angel and fairy designs for you to colour in.
